i Prevention Points

1. Cough or sneeze into your bent arm, not your hands.
2. Do not touch your face. If necessary, wash your hands before and after.
3. Wash hands for a minimum of 20 seconds.
4. Use hand sanitizer when soap and water are not available.
5. Wash or sanitize your hands as often as possible after touching any surfaces. Especially surfaces that have or will be used by others.
6. Work alone when safely possible.
7. When around others, keep a minimum of 2 arm-lengths apart.
8. Directly sanitize surfaces such as dashboards, mower handles, gas canisters or any shared surface area at the beginning and end of the day.

i Reaction Points

1. Self-isolate for 14 days if you have been in contact with anyone positively tested for COVID-19.
 2. Maintain social distancing off and on the job.
 3. Self-isolate when showing symptoms common to COVID-19 such as coughing, difficulty breathing, fever or pneumonia. Contact your medical care team as needed.
